

A Three-Part Series for Apartment Managers: Adopting a Smoke-Free Building Policy

Step Three: "Have a Smoke-Free Building"

Outside of folder

*Congratulations on Adopting a
Smoke-Free Policy!*

Thank you for protecting the health of your tenants by adopting a smoke-free building policy! You have made a smart decision that will protect your investment in your building and the health of your residents.

You may have already noticed that smoke-free policies lead to buildings that are healthier; buildings where maintenance is reduced; buildings that hold their value because cigarette burns are eliminated; and buildings that are safer and reduce fire dangers.

We look forward to helping you promote your newest amenity: smoke-free air!
